**CERTIFICATION**

I hereby certify that TelNet Worldwide, Inc. is in compliance with the requirement to provide advance subscriber notice in accordance with Section 64.1120(e)(3) of the Commission's rules, with the obligations specified in that notice, and with other statutory and Commission requirements that apply to this streamlined process for a telecommunications carrier's acquisition of another carrier's subscriber base without obtaining each subscriber's authorization and verification.

I further certify that the statements within the foregoing document are true, complete, and correct to the best of my knowledge.

**AN IMPORTANT NOTICE REGARDING  
YOUR TELEPHONE SERVICE FROM  
SUPERIOR SPECTRUM AND TELNET WORLDWIDE**

Dear Valued Customer:

January 16, 2006

Superior Spectrum is pleased to inform you that TelNet Worldwide, Inc. of Troy, MI has agreed to acquire the assets of Superior Spectrum. Your local exchange and/or long distance service will continue to be provided under the Superior Spectrum name and continue to be serviced through our office in Marquette.

TelNet Worldwide is a telecommunications provider based in Michigan and focused on the Great Lakes region. TelNet Worldwide offers a comprehensive set of voice, data, Internet, and infrastructure services to wholesale, business, and residential markets. TelNet Worldwide is a proven telecommunications leader that designs, engineers, and builds innovative communications solutions tailored to meet customer needs, and is dedicated to being the provider of choice for innovative, value-based communications solutions with outstanding customer service and support.

Subject to obtaining regulatory approval, Superior Spectrum and TelNet Worldwide expect that the transfer of your service will occur on or after February 17, 2006. Your local telephone number(s) will NOT change as a result of the transfer. Upon completion of the transfer, your service will be provided to you according to the same rates, terms, and conditions by which you are currently receiving service. Notice of any future changes in rates, terms, and conditions will be provided to you by mail or in your bill, or as otherwise indicated in your service contract, if any. TelNet Worldwide is also acquiring Superior Spectrum's name; the name of your telephone service provider will continue to be Superior Spectrum.

As always, you have the right to choose another provider for your telephone services at any time if an alternative provider is available, subject to the terms of your service contract, if any. Unless you have selected a different provider before the transfer date, your service will be transferred to TelNet Worldwide, which will then continue to provide you service under the Superior Spectrum name. TelNet Worldwide will be responsible for any carrier change charges associated with the transfer. If you have previously arranged a preferred carrier freeze on your local or long distance services to prevent their transfer to another carrier, the freeze will be lifted in order to complete the transition of services. Please contact us if you would like to reestablish your preferred carrier freeze after the transfer is complete.

TelNet Worldwide will be responsible for any complaints or other customer service inquiries you may have both prior to and after the transfer. However, because TelNet Worldwide is adopting the Superior Spectrum name and your account will continue to be serviced from our Marquette office, you should address any such complaints or inquiries, both prior to and after the transfer, to Superior Spectrum's current customer service numbers at 1-906-227-7770 or 1-800-433-6748 or you may visit our office at 1010 West Washington St. in Marquette, MI.

TelNet Worldwide looks forward to serving you.
